Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184 (b) (1) provides that an invention is not eligible for a patent if it is a process, machine, or manufacture which is not new, useful, or non-obvious. The purpose of this section is to ensure that the invention is not disclosed to the public before it is patented. This disclosure will be made by the applicant within 6 months of the filing date of the application. The purpose of this section is to ensure that the invention is not disclosed to the public before it is patented. This disclosure will be made by the applicant within 6 months of the filing date of the application.
